37-38 *Step forward right, step forward left*

39-40 *Step forward right, scuff left*

I find this works easier than each partner trying to find the others hand.

LADIES reach out as if you are going to shake hands with the next dancer. Let the man find your hand in this position.

MEN Reach for the lady's hand with your 4 fingers joined together opposed by thumb. David Bagget called this PAC-MAN. I use it as a little laugh getter. Taking the lady's hand in this manner lets you lead her on to the next partner or on the final sequence, turn her into position.

**STEP FORWARD LEFT, RIGHT, LEFT, SCUFF RIGHT (PASS LEFT HAND TO LEFT HAND)**

41-42 *Step forward left, step forward right*

43-44 *Step forward left, scuff right*

**STEP FORWARD RIGHT, LEFT RIGHT, SCUFF LEFT**

(Pick up right hand, lady turns  $\frac{1}{2}$  turn left into side-by-side position)

45-48 *LADY: Step right, left, right, scuff left*

*MAN: Step right, left, right, scuff left*

(Pick up right hands and lady turns  $\frac{1}{2}$  left into side-by-side position)

**REPEAT**
